To earn a Dogwood Diploma, international students must meet all [graduation requirements](#).

In addition, there are a number of specific conditions that pertain to international students (whose educational program was not instructed in either English or French for the previous two years). Such international students may earn credit for Graduation Program courses, with the exception of those listed below, through an equivalency review or challenge process.

1. *International students must earn credit for courses in the following categories through instruction from a British Columbia-certified teacher. No Equivalency review or Challenge process is permitted:*
2. - *Language Arts 11*
3. - *Language Arts 12*
4. - *One of Science 11 or 12*
5. - *One of Mathematics 11 or 12*
6. - *Social Studies 11 (or Civic Studies 11 or BC First Nations Studies 12)*
7. - *Planning 10*
8. *For Language Arts 12, students must write the required provincial exam(s).*
9. *International students must also earn credit for Graduation Transitions through a school-supported course or process. International students must be assessed to determine if all the Graduation Transitions Prescribed Learning Outcomes have been met, regardless of the grade level at which they enter a British Columbia school. When the requirements have been met, international students will be assigned four (4) credits and "requirements met (RM)" will be noted on their transcript.*
